

Community Funding & Sponsorship Application Form

We focus our giving on events that support our two corporate charities Habitat for Humanity and Ulster Wildlife or very near to the CTS Projects Limited social heart.

If you would like to request sponsorship or community funding from CTS Projects, please fill out the form below. Although we can't grant every request, we will endeavour to respond to your application within 28 days of submission. We have a set budget for community funding and sponsorship annually. Monies are allocated on what meets our corporate social responsibility policy.
